DEMOCRATIC TICKET.

For President,
WILLIAM J. BRYAN,
of Nebraska.

For Vice President,
JOHN W. KERN,
of Indiana.

For 9th District,
JAMES N. KEHOE,
of Maysville.

Spanish War Veterans voted to hold their next encampment at Tazewell, Wash.

Organize Bryan and Kern clubs and send the names of all the officers and committeemen to John W. Tomlinson, Democratic National Headquarters, Chicago, Ill.

James N. Kehoe made a record in Congress that has not been surpassed by anyone from this district. He is a sober, hard-working representative and a credit to his constituents.

The Chicago man who named trips to William, Jennings and Bryan was fortunate in the circumstances in having more names to draw upon than the lady who complimented a friend by naming the twins Kate and Duplicate.—Courier-Journal.

The farmers are for James N. Kehoe because he has been instrumental in increasing the prices of certain products. He is as much opposed to the night riders as any man in the State, but he is opposing in a legitimate way the encroachments and tyranny of the trusts.

William J. Bryan was the guest of labor leaders in Chicago Monday and was the recipient of an all day ovation. During the morning he reviewed the great Labor day parade and was greeted with almost continuous applause from the marching thousands. In the afternoon he made two extended addresses, one at Forest Park and the other at Brand's Park.

The Democratic National Committee is calling for the organization of Bryan clubs throughout the country. An organization is requested in every voting precinct. No special form of organization or by-laws is required. Literature will be sent to these clubs for distribution. There will be much work of a pleasant and effective nature to do.

When the stomach, heart or kidney nerves get weak, then these organs always fail. Don't drug the stomach, nor stimulate the heart or kidneys. That is simply a make-shift. Get prescription known to druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Sold by all dealers.

The Cough of Consumption

Your doctor will tell you that fresh air and good food are the real cures for consumption. But often the cough is very hard. Hence, we suggest that you ask your doctor about your taking Ayer's Cherry Pectoral. It controls the tickling, quiets the cough.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

One of Ayer's Pills at bedtime will cause an increased flow of bile, and produce a gentle laxative effect the day following. Formula on each box. Show it to your doctor. He will understand at a glance. Dose, one pill at bedtime.

Made by the J. C. Ayer Co., Lowell, Mass.

Our Neighbors.

Capt. John M. Watson died at Ironton. He was one of the founders of the Norton Iron Works at Ashland.

Pikeville, Ky., Sept. 8.—At a meeting of the Board of Education for Pike county, on last Saturday it was ascertained that there were 15 districts in the county without school-houses.

Dr. Moore, alias Wesley Hamilton, who was arrested at Ceredo a few weeks ago, by U. S. Deputy Marshal Sam Davis, taken to Huntington and released under bond, with T. A. Null as surety to the extent of the sum of \$500, and afterward skipped that bond, was captured Sunday evening in Windsor, Canada, by Deputy Marshal Davis, and is now in the county jail at Huntington, awaiting the action of the Federal grand jury on a charge of sending improper medicines through the mails.

A GREAT LINE OF FREE ATTRACTIONS.

In line with its policy to put on only the greatest attractions that can be secured, the Kentucky State Fair management has closed a contract with Frank P. Spellman of Cleveland, O., for what is believed to be the best line of free attractions ever seen at a Southern Fair. These attractions will be seen in front of the grandstand each day, including Spellman's Performing Bears and ten other free attractions, such as trapeze acts, mid-air performances, etc.

A Japanese troupe of gymnasts and acrobats, excelling in their line anything ever seen before in Louisville, has been engaged especially for the State Fair, and will be seen exclusively in Kentucky at that time. In addition to the more thrilling of the well-known acts of balancing and gymnastic work, they have devised several features which will be for the first time introduced here.

The thriller of free attractions, however, will be the troupe of trapeze performers, including several men, women and a tiny tot which is hurled by its heels twenty-five feet through the air and is safely caught by one of its elders. Accidents do not occur in this act, but despite their perfection a net is spread for a possible emergency, so that even if an accident should occur, no fatality would result.

The shows already engaged for the "Stretch" are Feterin's Trained Wild Animal Congress, the Dicky Wild West Show and Cow Boy Indians; the Dark Town Fire Brigade; Heaven and Hell Mechanical Device; Johnstown Flood; Palace of Illusions; Electric Palace, and many others which will be added later. This is enough to insure every visitor that there will be something doing every minute.

CONVENTIONS AND EXCURSIONS.

A new special committee has been created this year by the State Fair management, known as the Committee on Excursions and Conventions, with Mr. Smith T. Bailey as chairman. Already a number of annual meetings for state organizations have been secured, including the Kentucky Beef Cattle Association, the Kentucky Dairy Cattle Club, the Swine Breeders' Association, the State Berkshire Association, the State Horticultural Society, the Good Roads Association and various others of a kindred nature.

A suitable convention hall will be provided underneath the grandstand with every accommodation and convenience possible for the visiting organizations. Chairman Bailey hopes to have many other meetings listed before the opening day and is arranging to have a large number of excursion trains from all sections of the state. In other words, it is his intention to make it a convention week and the banner week in the history of the Falls City for the largest number of out-of-town visitors.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound or imperfect hearing, and when this is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by Catarrh) that cannot be cured. Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co., Toledo, Ohio. Sold by druggists. Take Hall's Family Pills for constipation.

FRIDAY, September 11, 1908.

"Hubby, is my hat on straight?"
"Well, if your hat is, your hair isn't and if your hair is, then there is something askew about your hat."

A woman on the train entering Grand Rapids asked the conductor how long the cars stopped at Union station.

He replied: "Madam, we stop just four minutes, from two to two to two."

The woman turned to her companion and said:

"I wonder if he thinks he's the whistle on the engine?"—Outdoor Life.

It is reported that Warren M. Meek, of Paintsville, will start a paper at Pikeville soon.

Dr. Watson is now getting along nicely, with his contract at the mouth of Big Sandy river. The guide wall out in the river is almost completed and this has been the most difficult part of the job.

Frank H. Logan has arrived here from the Pittsburgh district to look after dam No. 1 on Tug river at Salt Peter. He is an engineer and will be in immediate charge of the work, reporting to Mr. A. M. Campbell of the Louisa office.

Harrodsburg can boast of a street, about the distance of three blocks in length, on which reside sixteen widows. They are all charming and cultured women, and more than half of them are property owners. The street is one of the principal ones in town.—Harrodsburg Herald.

John Burns Horton is in bed with a very bad foot. He cut it several weeks ago on a bit of glass. Not much attention was paid to it at the time, but later it became a very serious matter, and for several days he has been in the hands of the doctor. His mother, who is visiting in Virginia, was written for last Saturday, but the case having assumed a more favorable aspect she was wired not to come. The lad is very patient and plucky, having borne the free use of the knife with wonderful nerve.

On last Sunday Rev. O. F. Williams closed his pastorate at Louisa, at least for a time. Two large congregations heard his farewell sermons. He has served the M. E. Church South at this place the limit of four years and he will necessarily be sent elsewhere by the conference which will meet at Webster Springs, W. Va., next Tuesday. He will go there with the best year's report that has ever gone up from this charge. Any church will be fortunate to secure the services of Rev. Williams.

Webbville.

Mrs. Lina Thompson was quite ill for a few days with neuralgia. Rev. Stambaugh, wife and son, of Lexington, were in Webbville this week.

A. S. Conley and family passed through here this week moving to Ashland. We are sorry to see them go and to lose good people from our county.

All the surprise felt in this section over the arrest of J. M. Rice at Lexington, was the surprise the Kentucky Democrat expressed. Mr. Rice was well known here.

A great religious war seems to be sweeping over this section. We are all glad to see it.

Rev. Yoak, of the M. E. Church, South, held a very interesting meeting here a few nights last week.

We understand the contest at Grayson on Thursday of last week given by the Ladies of the W. C. T. U., was a very successful affair. Mrs. Izzy Shays was the winner of the medal. It was given in the park for the benefit of the old soldiers, Mrs. N. B. Shays being the winner. Let the good work of temperance go on.

Much excitement prevails over the burning of the Cooper family. Indignation toward Frank Kelley since the confession of Kelley's boy, is running high.

Curt and wife, and baby, of West Virginia, are visiting his grandmother Aunt Aggie Pearlington. The sheriff has created quite a sensation among the Webbville boys, serving summons for next week's court.

Obituary.

Violet, little daughter of W. M. and Martha Bradley, was born December 10, 1906, died August 1, 1908. She was sick only two weeks. She died with spinal trouble. The Lord had called and little Violet had to answer. She leaves to mourn her loss, a father, mother, four brothers and four sisters.

One little sister having preceded her to the Spirit Land. Her funeral was preached at her home by the writer of this sketch. Then her body was taken to the Bradley Chapel, at Yatesville, Ky., and buried on the green hillside. We will say to the relatives and friends, weep not for little Violet, for she is at rest. Jesus said: "Suffer little children to come unto Me, forbid them not, for of such is the Kingdom of Heaven."

The JELL-O costs 10c. per package and can be obtained at any good grocer's.

In Memoriam.

The death angel has again visited our community and taken from the home of W. M. Wright and wife, their loving little daughter, Carrie, aged seven months and four days. The home has lost a sparkling jewel, but God needed another little angel amidst his shining band and took their darling little Carrie. Weep not, father, mother, brothers and sisters, but only think of her waiting for you up in heaven. Dear friends and relatives if you want to meet little Carrie, prepare to meet her in that bright Celestial City. You can go to her but she can not come to you. Jesus said, "Suffer little children to come unto Me, forbid them not, for of such is the Kingdom of Heaven."

FAMILY CARES.

This Information May be of Value to Many a Mother in Louisa

When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's lot is far from a happy one. This condition can be quickly changed and absolutely cured by the use of Doan's Kidney Pills. When this is known the mother's burden will be lighter and her home happier.

Mrs. T. V. Heston, living in Louisa, Ky., says: "I sincerely trust my testimonial may be seen by some other sufferer of weakened kidneys. My daughter was greatly annoyed from the improper action of these organs. She complained of a dull aching across her back and she was unable to retain the kidney secretions. She procured Doan's Kidney Pills and it required but the use of but one box to give her entire relief and she has since been in the best of health."

In Memoriam.

The death angel has again visited
our community and taken from the
home of W. M. Wright and wife,
their loving little daughter, Carrie,
aged seven months and four days.
The home has lost a sparkling jewel,
but God needed another little angel
amidst his shining band and took
their darling little Carrie. Weep not,
father, mother, brothers and sisters,
but only think of her waiting for
you up in heaven. Dear friends and
relatives if you want to meet little
Carrie, prepare to meet her in that
bright Celestial City. You can go
to her but she can not come to you.
Jesus said, "Suffer little children to
come unto Me, forbid them not, for
of such is the Kingdom of Heaven."

FAMILY CARES.

This Information May be of Val-
ue to Many a Mother in Louisa

When there is added to the many
cares inseparable from the rear-
ing of children that affliction of weak-
ness of the kidneys and auxiliary
organs, the mother's lot is far from
a happy one. This condition can
be quickly changed and absolutely
cured by the use of Doan's Kidney
Pills. When this is known the moth-
er's burden will be lighter and her
home happier.

Mrs. T. V. Heston, living in Lou-
isa, Ky., says: "I sincerely trust my
testimonial may be seen by some
other sufferer of weakened kidneys.
My daughter was greatly annoyed
from the improper action of these
organs. She complained of a dull
aching across her back and she was
unable to retain the kidney secretions.
She procured Doan's Kidney Pills
and it required but the use of but
one box to give her entire relief
and she has since been in the best
of health."

TEACHERS

Must Have Certificate Before
They Will Be Allowed To

Frankfort, Ky., Sept. 4.—No person will be allowed to teach school in the common schools in this State without a certificate issued after an examination. Prof. J. G. Crabbe, Superintendent of Public Instruction, today issued the following circular, touching on the effort of school teachers to get into schools without a certificate.

To Superintendents: I am aware that there is a scarcity of teachers in some counties. I am, too aware that certain parties (prospective teachers) have no certificates and had no intention of taking any examination, but have purposely waited until the last (August) examination is over, and now they present themselves for vacancies at this date, well knowing that there is not a sufficient number of teachers to supply the schools in the county. They have been resting on their oars, and now hope to reap what they have not sown. Each party can not teach in Kentucky. Please note.

First—A person must be qualified to teach a common school. Every teacher must hold a legal certificate. No teacher can receive any of the State fund without a proper certificate.

Second—Certificates can not be issued under any circumstances except after a personal examination by law. State certificates from other States and diplomas and credentials of any schools or colleges are not recognized in Kentucky. No credentials of any sort can be accredited. I have no exceptions to the plain letter of the law. In case you should write me concerning this matter, I must adhere to the law. I think the law is not a wise provision, but while it is the law I shall obey it to the hilt.

Third—No special examinations are authorized by law. The law sets the dates for examinations, and says, "no examination shall be held at any other time whatever." No other examination can be authorized in any county; neither can any other examinations be authorized in the State Capitol by the State Board of Examiners. The law evidently provides for an ample opportunity for those who wish to be examined as teachers. If they do not embrace the chance, they must go elsewhere. These people must quit the business or qualify at the proper time.

The Change of the Pole Cat.

From time immemorial the pole cat has been an outcast among animals. The world has respected him, it has never loved him. There are certain of his qualities and attributes which forbid a close acquaintance. But now, thanks to a remarkable scientific discovery, all this is to be changed. The pole cat is to have not only his present place among the living beautiful creatures of the out-of-doors, but will bear a message of fragrance to the world as well. It is from a Mississippi country weekly that we glean the glad tidings. A gentleman farmer of that State, who is the proprietor of a chicken farm, has also a pole cat farm near by it. Not long ago his chickens fell sick. He mixed coal oil in their feed, and was surprised to find that the next hatch of eggs which his faithful hens produced smelled strongly of petroleum.

A bright idea dawned upon him. His face flushed with the joy of anticipated discovery. His heart throbbed wildly—even as Newton's must have beat when he noted with delight that the apple did not fall up instead of down. If the odor of oil was strong in the output of the hens, why then—Enough. He had long hated the odor of his pole cat farm. Now he mixes lavender, bergamot and orange flowers with the food which he gives the pretty little animals. The results are all that the most fastidious nature could wish; a delicate and delightful odor hangs about the pole cat farm now—a scent that vies with the violets and puts the musk rose and magnolia to shame. This is an animal of lovely appearance, but of a terrible reputation, transformed into a creature fit to be the theme and inspiration of a whole school of lyric poets—Dan Marquis, in Uncle Remus's—The Home Magazine for September.

There will be a meeting of the Lawrence County Medical Society the third Monday in September at Louisville. All members are urgently requested to be present.

West Virginia Neighbors

During the month of September there will be forty convicts released from the State penitentiary at Moundsville, having served their sentences. The majority of these men's sentences range from 1 to 10 years and mostly all are colored. Nearly half of them hailed from Washington, D. C.

Chief of Police John B. Maynard and Miss Tine Buskirk of Williamson, were married in Ironton on Tuesday. There was some opposition to the marriage on the part of the parents of the bride owing to her age and on Monday night when 3 pulled in the young lady met her intended at the train and the went to Ironton where they were married on the following morning.

The Masonic Lodge of Wayne, the Odd Fellows Lodge of Wayne, the Knights of Pythias, of Wayne, and the Knights of Golden Eagles, of Lavalette, Centerville and Echo, will have a joint reunion at Wayne on Saturday, September 19th. The members of these orders will entertain all visiting brethren who may attend, and a pleasant time is anticipated.

An old fashioned shooting match with a 900 pound corn-fed beef as the prize to the five best shots will furnish entertainment to marksmen for miles around, Saturday the 26th inst. The match will be pulled off at the farm of Bostic Brumfield at the Forks of Twelve Pole according to the established rules governing shooting matches. Many of those who will enter the contest have heretofore made records with the old mountain squirrel rifle that would make the U. S. Army sharpshooters turn green with envy. Shooting matches are protected under the State laws and this match will be conducted in an orderly manner.

Worry over business troubles is supposed to be the cause for sudden insanity which seized Lawrence Gilmer, on C. and O. train number 4. When near Huntington he arose suddenly from his seat and began talking off first one article of clothing, and then another. He was only prevented from removing all that he had on by the conductor and brakeman. He submitted to being dressed again with apparently good grace, but when the trainmen were not looking made a dash for the car door and attempted to spring off into the darkness. Before he could execute his purpose he was caught and this time he was held under guard until the train reached Huntington where he was taken to the C. & O. Hospital. It was learned that he is a prominent wholesale drummer traveling out of Kansas City, and his brother is high in the business world there.

Keystone, W. Va., Sept. 4.—After a thrilling battle with fists Wesley Wilks, of Bluefield, shot and instantly killed Dr. A. H. Sayers, a wealthy physician from North Fork, while N. & W. train No. 2 was between Keystone and Eckman.

Three months ago Wilks, who represents the South Insurance agency at Bluefield and who is frequently in Huntington on matters of local insurance business, preferred charges against Dr. Sayers in the Elks lodge. The action caused Dr. Sayers no small amount of trouble and embarrassment and ever since, it is understood, he has been searching for Wilks, declaring that when they met he intended to give the man the thrashing of his life.

The long expected encounter occurred yesterday on the train. Wilks had boarded the train at Bluefield and was sitting quietly in his seat when Dr. Sayers climbed on at North Fork. Passing down through the car the doctor caught sight of his enemy and attacked him. His only expression was, "I've got you at last." Wilks arose from his seat and went into another car, followed by the doctor.

Dr. Sayers was considerably the larger man and soon succeeded in getting Wilks across the back of a seat while he battered his face with his fists.

Wilks twisted his body and finally succeeded in getting to the floor. Dr. Sayers continued his fearful punishment. All passengers on the car crowded around to watch the combatants but none seemed bold enough to attempt a separation.

Meanwhile Wilks was observed to be running in a small grip which he had carried from another car. He at last drew forth a revolver and by twisting his body succeeded in pressing it against Dr. Sayers' side. When he died death seemed to come in a flash. Dr. Sayer's fist was upraised to strike another blow, but his hand simply and his body sagged down over Wilks, who lay prostrate on the floor, blood from the dead man staining his garments.—Cathetsburg Tribune.

RESOLUTIONS

Of The Floyd County Teachers' Institute.

Whereas, under the leadership of our untiring and energetic Superintendent our county has been brought to the front and so greatly uplifted in educational interests within the past seven years, and wishing to show our appreciation of the forward movement, therefore,

Be it resolved.

1. That we, the teachers of the County, of Floyd, wish to approve of the time and place of conducting the Institute.

2. That we, the teachers of Floyd County, can not express in terms too high our appreciation of the earnest and masterly work of our leader, Supt. H. F. Patton, and that we heartily recommend him to the people of our county and earnestly ask that they use their influence in urging him to become a candidate and succeed himself.

3. That we extend our thanks to Prof. Leigon and Mayo for the able assistance given the Institute.

4. That we further endorse the administration for securing one of the most practical and progressive instructors in our State and we congratulate ourselves upon the fact and ask that the Superintendent use every possible means to secure his service next year.

Be it resolved further, that we thank the good people of the town for their kindness to us and the M. E. Church, especially for the use of their commodious building.

5. That, whereas it has pleased the Supreme ruler of the Universe to remove from our midst two of our able and most efficient teachers since our last Institute, The Hon. A. B. Stephens, late Commonwealth's Attorney of the 31st Judicial District of the State of Kentucky, and Orborn Vance, therefore, Be it resolved 1st. That in the death of the said A. B. Stephens we have lost one of our ablest instructors, a kind and affectionate friend and an able and efficient public servant. 2nd. That in the death of Orborn Vance we have lost an efficient teacher and a kind friend. That the teachers of this Institute tender and extend to the bereaved families their heartfelt sympathy and ask that the secretary present them with a copy of these resolutions. 6. That these resolutions be printed in the Big Sandy News and the Weirville Plain Dealer.

What is medicine for? To cure you, if sick, you say. But one medicine will not cure every kind of sickness, because different medicines act on different parts of the body. One medicine goes to the liver, another to the spine, Wine of Cardui to the womanly organs. So that is why

Wine of Cardui

has proven so efficacious in most cases of womanly disease. Try it!

Mrs. Wm. Turner, of Bartonville, Ill., writes: "I suffered for years with female diseases, and doctored without relief. My back and head would hurt me, and I suffered agony with bearing-down pains. At last I took Wine of Cardui and now I am in good health." Sold everywhere, in \$1.00 bottles.

Watch Repairing.

If your watch is worth repairing at all it should be done right. The prices charged by competent and bold workmen are about the same. Often the skilled watchmaker will charge less, because he can tell what is to be done and is not making a wild guess. More watches are ruined by fellows who are trying to learn this delicate and scientific trade by practicing on the public's timepieces than ever wear out or are broken in any other way.

C. E. Bean at Conley's store, served a full apprenticeship at the trade and has had 42 years of experience. He also does all kinds of jewelry repairing and engraving. All work guaranteed by a good guarantee.

August time tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, heart, and kidneys will usually fail. Strength on these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Bold by all dealers.

SPECTACLES.

Ulysses.

On August 31st, Millard Castle arrived here with his little son Teddie, who died of diphtheria at the home of his aunt, Mrs. Marion Castle, of Cincinnati. Mrs. Castle accompanied her little nephew's remains back here, where they laid him to rest September 1st. The burial services were conducted by Rev. Milt Allen. Mr. Castle returned to Cincinnati to the home of his sister-in-law, last Saturday, who had charge of his only surviving child. A little girl six years old.

Sunday morning, Sept. 6, Mrs. Gustie Allen, of this place departed this place for the one far beyond. She has been very low with consumption for quite a while. She is survived by her husband Frank Allen and a little daughter about four years old, and a son about two-and-half years old. She was the daughter of Frank Brown, of Paintsville, and came here the bride of Mr. Frank Allen, perhaps five years ago. She has made many friends since she came here and will be sadly missed. She was taken back to her old home at Paintsville for burial.

The death angel has certainly swept through this neighborhood with its relentless hand during the last week, for the passing of Aunt Mary Miller, Sept. 7, is the third victim of the grim monster during the last week. Aunt Mary, as she was called, has long been suffering with dropsy and this morning, Sept. 7, closed her eyes to the scenes of earth and suffering. The deceased was near 70 years of age. Her funeral was preached by Rev. Albert Miller, after which she was laid to rest beside her late husband, Rev. Mark Miller.

Ped Borders is seriously ill at this time with rheumatism. Arthur Travis, son of Jonathan Travis, has pneumonia.

The funeral of Mrs. Sena Davis, will be preached at her old home Oct. 4.

Mrs. Martha Beasley went to Huntington one day last week.

A Farm Wanted.

I have an inquiry for a good farm having a comfortable residence and good orchard on it. Would prefer quality rather than quantity. Those having farms for sale will do well to write me at once, giving full description, price, number of acres level, kind of house, and all particulars that would interest a buyer. Prefer a place within easy reach of Louisa.

Hon. F. P. James, Auditor, is indignant over the gross graft of some ex-officials of Pike county. A comparison of the records of Pike County Clerks office and the Auditor's records at Frankfort, discloses the startling fact that the State and county has been swindled out of several thousand dollars.

The graft and embezzlement of one ex-sheriff of Pike county for the year of 1889 alone amounted to \$1291.58.

Besides the sheriffs and clerks of Pike have collected hundreds of dollars from tax-payers that the Auditor's office has never seen. Auditor James is now prosecuting a campaign all over the State against official thieve and embezzlers.—Pike County Republican.

Olive Hill, Ky., Sept. 6.—The mangled remains of Arthur Boggs, of near here, were found on the railroad track at E. K. Junction this morning. Some suspect that he was murdered and his body placed on the track.

Seneca N. Swinme, having entered a new field of labor, is no longer connected with this office in any way, says the Pikeville Republican. Mr. Swinme starts on his road leavenward next Monday, that is, he has turned preacher—the noblest of callings.—Exchange.

Ironton, O., Sept. 7.—"I followed mother home" were the only words spoken by tiercel Mistle, a well-known young clothing clerk, as he staggered into his mother's home dying. Mistle had been working at Huntington, where he took sick on Saturday. He died of pneumonia after reaching home.

Wednesday evening of last week Mrs. Levina Davis, wife of Joseph Davis, died at her home near Meek Station, Johnson county, from the infirmities of old age. Mrs. Davis was quite well known here, and both sister-in-law and aunt of Rev. Z. Meek. She belonged to one of the most prominent families in the Sandy Valley.

Deputy Collector G. W. Castle captured El Johnson, who shot to death his brother-in-law Lake Harper, some weeks ago, and Tom Waggoner, charged with being an accessory, Saturday at the home of Charles Hogg at Gates station and turned them over to the police at Sady Hook and will, no doubt, get the reward of \$700 offered for their capture.—Bugle-Herald.

Word was received here of another killing at Naugatuck, Conn., Saturday evening. A constable named Hatfield attempted to arrest a negro for some trivial offense and was resisted struck him on the temple with his fist. The negro's eye almost popped out of his head and he dropped dead at the officer's feet. No charge has been filed against Hatfield and none is expected.—Cattlettsburg Tribune.

Frankfort, Ky., September 5.—United States Marshal W. M. Myers, who arrived here to night with five alleged moonshiners to await action of the Federal Court told of the destruction of three of the most notorious illicit stills in the Kentucky mountains.

He located the stills on Quick-sand Creek, on the border line between Breathitt and Knott counties, and caught the shiners in the act of making whiskey. He destroyed 3,000 gallons of beer. He destroyed

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and salivary complexion, try Dr. Shoop's Restorative—Tables or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

connecting 17 others with the sale of John M. Sears, of Ashland, Ky., was washed ashore at Hermosa beach this morning and authorities are trying to find out how the man came to his death. Nothing on the body indicates whether Sears committed suicide, was the victim of violence or of an accident. No money was found in his pockets, although he is said to have been in prosperous circumstances for some time and was there to recuperate.

It was his custom to go out fishing alone in a boat and friends believe he was upset by the swell from a passing steamer. An effort is being made to communicate with his relatives in Ashland. He was planning to return to Ashland within a few days.

The Graham Bros., who bought of J. T. Day a large tract of oak timber above Lee City last fall, are erecting two of the largest mills ever seen in the mountains to put their product in market. Their system of working is much like the pork slaughter house which a countryman described by saying: "Nothing gets away but the squeal of the pig," as Graham Bros. use every scrap 1x6 inches in making parts for toys. They make chair rungs, hacks, rockers, etc., but the main business is wagon parts, such as fellos, plow beams, stocks, etc. The force employed to work this up is accessarily large, and to provide homes for the people employed many houses will be built in addition to their mills and store.—Hazel Green Herald.

Lexington, Ky., Sept. 6.—When the local freight train, which runs from Ashland to this city, arrived in the yards here this morning the engineer found the hand and arm of a negro sticking on the front of his locomotive.

As far as he knew there had been no accident during the run from Ashland and he was at a loss to account for the presence of the gruesome decorations on the engine. Messages were at once sent up the road and it was learned that the train had last night run over and killed Sam Haines, a negro, about half a mile be-

yond Winchester, the arm and hand were torn off the body and carried to this point by the engine. The bloody fragments were sent to Winchester to be buried with the rest of the corpse.

Lexington, Ky., Sept. 3.—William Fife was instantly killed and William Alexandria was fatally injured by the premature explosion of a blast in a stone quarry at Olive Hill, fifty miles east of here. The men had set two blasts. One went off all right but the other failed, and several minutes later Fife and Alexandria went to investigate. Fife stopped and began cleaning the blast hole, when suddenly the powder exploded, hurling him fifteen feet in the air and terribly mangling him. Alexandria was also badly mangled and there is little chance for his recovery.

"Charles J. Howes and wife, Frankfort, Ky., this on the Ventura Hotel register last night, coupled with the proud exclamation, 'that's the first time I ever wrote that,' broke the news to Ashland and Eastern Kentucky friends that popular and talented, genial Charles Howes, of Palatka, recent unsuccessful candidate for the Tenth District Democratic Congressional nomination, had nevertheless been elected.

Undaunted by the action of the Democratic convention which nominated the Hon. Amos Davis to run against Congressman John W. Langley, Mr. Howes pursued his campaign along other lines with more success, and Tuesday afternoon, when the returns were in, it was learned that Chas. J. Howes, was unanimously elected, the one vote being cast by Mrs. Blanche Hill Cavanaugh, the talented daughter of the late W. S. B. Hill, for years, Clerk of the Court of Appeals of Kentucky.—Ashland Independent.

The Paintsville base ball team went to Ashland and defeated the local club by a score of 8 to 1.

Foreman Joseph Shalkford lost his right hand by getting it caught in a machine at the Park City Lumber mills at Ashland.
